Subject: Approval for Lifting a Cell Tower Antenna

To: Kathy Gill, Tower Safety

Subject to the terms and conditions of this letter, Genie Industries Inc. approves the user of the Genie Boom to use the equipment based on the requirements hereinafter.

**Warning:**

Failure to comply with all restrictions, instructions and warnings contained in this letter, the Operators Manual and the applicable safety or owner's manual could result in death or serious injury.

**Compliance Region/s of Approval:**

ANSI, CSA

**Application Description:**

Tower crews will use the Genie Boom to lift an antenna to install on a cellular tower. The antenna will be temporarily installed on the outside of the platform during the lift.

**Owner/Employer/User/Operator Requirements:**

- 1) No modification to the Genie equipment, or use of it outside the proposed application, is permitted outside the approval criteria contained hereinafter.
- 2) A copy of this letter must always accompany the operator's manual in the weather resistant storage compartment located on the equipment at the jobsite where this modification/application is approved and authorized by the user/employer.
- 3) Operators must be trained and qualified how to safely operate the modified equipment, or use it in the proposed application, and be familiar with the specific model of Genie equipment as follows:
  - a) Be familiar, and comply, with the equipment operating and safety manuals.
  - b) Understand all control functions, decals, and warnings.
  - c) Be aware of and understand all safety devices specific to the equipment being used.
  - d) Be instructed regarding the specific hazards associated with using the Genie equipment, in its modified state, or in the proposed application, and utilize all means, including those provided by the user/employer, to avoid them.
- 4) The user/employer and the operator shall comply with all applicable jobsite, local, state, provincial, or federal rules, regulations, and standards related to the use of the equipment and its modification.
- 5) The Genie equipment must be in proper working condition and configuration.

**Additional Requirements:**

- 1) Antenna weight must not exceed 110 lbs, with dimensions no greater than 95.9" (L) x 19.2" (W) x 6.5" (H).
- 2) Deduct antenna weight from the platform's maximum rated capacity.
- 3) Secure the antenna to the platform to prevent accidental disengagement.

- 4) When mounted outside the platform, the antenna must be positioned as close to the platform as possible.

In consideration for Genie's authorization herein, the equipment owner hereby agrees to indemnify and hold harmless Genie Industries Inc. and its parent and affiliated companies against any and all liability, claims, suits, losses, costs and legal fees caused by, arising out of, or resulting from the approved modification/application of the Genie equipment; any negligent act in the operation of the equipment by the owner, user and/or operator; the failure to comply with the criteria set forth in this letter related to the modification/application; the design, manufacture and installation of any modification; the safety rules and operating instructions in the Operator's Manual; the design and placement of any safety decals; the operation of the equipment by the owner, user and/or operator; and any negligent act or omission related to the equipment, its use or its modification.

**BY PROCEEDING WITH THE MODIFICATION/APPLICATION APPROVED HEREIN, YOU AGREE TO THE CONTENTS OF THIS LETTER AND ITS CONDITIONS. IF YOU DO NOT AGREE, DO NOT PROCEED WITH THE PROPOSED MODIFICATION/APPLICATION.**
